Engagement Models

Time & Material Model – Define the business model & work hand in hand with our client. The Client pays a fixed hourly rate.

Fixed Price Model – The Customer pays a Pre Negotiated Fixed price for the complete project based on a pre defined pay schedule.

Hybrid Model – A major portion of project is on Fixed Price basis and at the same time resources are deployed on Time & Material basis. Adopting such a model enables to ramp-up and ramp-down resources based on critical requirements to maximize ROI.

Onsite-Offshore Delivery Model
